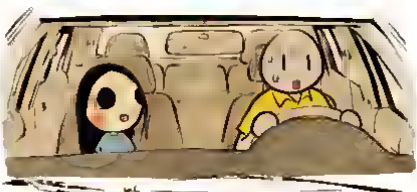
THE BUSES STOPPED RUNNING FOR THE NIGHT,
SO I TOOK A TAXI.

I HAVEN'T BEEN DRIVING TAXIS FOR VERY LONG. HOW MUCH DO PEOPLE USUALLY PAY TO GO WHERE YOU'RE GOING?

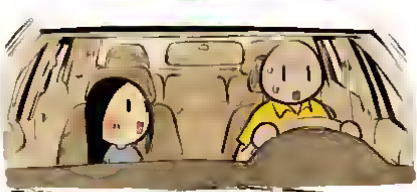
TAXI



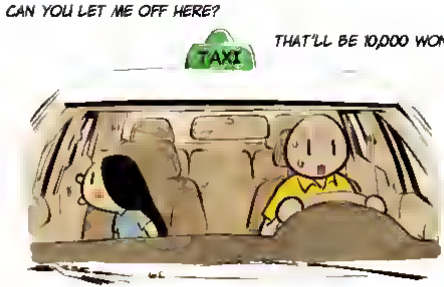
WELL, TO MY HOUSE. IT'S USUALLY ABOUT ₩6,000 WON. SOME PEOPLE TURN ON THE METER. SOME DRIVERS WOULD ASK FOR 10,000 WON BUT I THINK IT'S BEST FOR THE CUSTOMERS IF THEY JUST TURN ON THE METER, LIKE YOU DO.

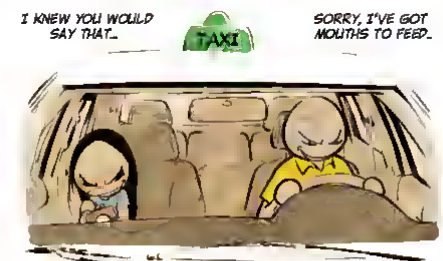
TAXI

AH, I SEE.



T/N: 1,000 WON IS ROUGHLY 0.98 USD





THIS ISN'T FAIR~
